

24 February 2021

Dear Parents,

I hope this finds you and all your families well. On behalf of all the staff, I would like to thank all families for their continued support and engagement in remote learning since Christmas up to this point.

As you have already heard, the Government has announced its phased reopening plan for schools.

- Junior & Senior Infants and First & Second Classes will return to school on Monday, March 1st. School starts at 9am. Supervision from 8.50am.
- The plan hopes for a return to school for Third to Sixth classes in mid-March. These classes will continue to engage in remote learning until then.

Parents **must** fill in a 'Return to Educational Facility Parental Declaration Form' for their child before he/she returns to school on March 1st. The declaration form is available to download in the Covid-19 section of the school website. Please fill it in and return by email to rashinans@hotmail.com. We would also like to remind parents not to congregate outside the school when school reopens next week.

We, as a staff, look forward to welcoming all our pupils back to school in the coming weeks. The health and safety of all our students and staff will remain a priority in the weeks and months ahead.

Thanks in advance for helping with the safe return to school for all.

Kind regards,

Leo Guinan.

School Principal.
